D P. W. SUBJECTS.

KOLAR DISTRICT.

Subject and Name of Member introducing it.	Summary of discussion.	Reply of Govt.
Subject No. 311. Iron pipes for Kolar Town water-supply. Mr. Chikramanna and Mr. Baira Gauda, Kolar Taluk.	Iron pipes may be used to conduct water from Ammerahalli tank for the water-supply of the Town of Kolar instead of the open channel as now proposed.	To D. P. W.
Subject No. 312. A new feeder to the Kolar Amani Taluk. Mr. Chikramanna and Mr. Baira Gauda, Kolar Taluk.	In consequence of the raising of the sluice of Ammerahalli tank, the supply of water to the Kolar Amani tank is materially diminished; a new feeder has therefore to be constructed to enable all the lands under the latter tank to be irrigated.	The necessary investigation will be made by the D. P. W in due course.
Subject No. 313. Improvement of feeders to Rangadhamanakere and other tanks. Mr. Narainwamy Setty, Chikballapur.	The feeders to Rangadhamanakere, Kandavara and Gopalakrishnakere tanks should be improved, as the source of water-supply to them is poor.	To the D. P. W. for investigation and needful.
Subject No. 314. Roads. Mr. R. H. Bullen of Kolar Gold Fields.	The bad condition of the main road is submitted for consideration. Information is requested as to when the new road will be completed (the one in connection with the new town).	Referred to the D. P. W. for needful.
Subject No. 315. Railway. Mr. R. H. Bullen of Kolar Gold Fields.	Information is requested as to when the railway improvements will be completed.	To Secretary, D. P. W. (Railways).
